CALIFORNIA CANNOT AMEND TARIFF BILL

LOWER RATES ON LEMONS TO SECURE ITALIAN VOTE, IS CHARGE OF HAYES.

(By Associated Press.) WASHINGTON, May 3.—The California house delegation has failed to have the tariff bill amended with regard to citrus fruits, figs, raisins and olives. Knowland and Hayes led the fight.

"The reason for lowering the rate on lemons," said Hayes, "is to secure the vote of the Italians in this country, and will have no effect upon the consumer."

Railway of Illinois declared the lemon industry of California needed no protection and the rates of the bill would not injure the growers. All the proposed amendments were defeated.

See the way the wind blows; we may truly say that the stand they take is the result of the plowing of public opinion done by the early Socialists.

"The inspiration and intellectual uplift the Socialist movement has been to thousands of working men and women is well worth all the time and energy and money we have put into it."

AMUSEMENTS

BUTLER THEATER.

Tonight at the Butler theater will be seen four reels of interesting pictures, as follows: Pathe Weekly No. 12 showing many interesting scenes from all around the world. "Will Willie Win?" a Lubin comedy; "The Banker's Messenger," a Solig western drama; "Cinderella's Slipper," a Vitagraph comedy. The loss of a slipper enables a young man to find his sweetheart whom he had not seen for some time. He moves to another city to seek his fortune and they become estranged. She has lost her father and is in reduced circumstances; he has become rich. Their reunion is a happy and unexpected one and it all happens so strangely. There is one big thing can always be said about the Butler theater, it always shows uncommonly good features in its programs. Maurice Costello plays the leading part. Tomorrow, "The Redemption," in two reels. Beginning next Monday we will show a feature every day, the grandest of all Wednesday, "From the Manger to the Cross," a five reel feature. All the scenes are taken in the Holy land by the Kalem Co.

Socialist Lecture.

"The Socialist movement," says Mrs. Lewis, who is to lecture at the Nevada theater tomorrow night, "has three phases: The social, the economic, and the political. Politically it manifests itself through its dues paying organization, through its of ficials in city and county and state; economically, through industrial and trade organization; and socially in our changing psychology. And each of those phases is only more vital, more interesting than the others."

"Until recently the Socialist party has been conspicuous in that it was the only party whose platform contained a plank advocating equal suffrage for men and women, regardless of race or creed. Other parties now going in that direction begin to

SUFFRAGETTES PLANNED TO BURN MANY BUILDINGS

AND THEN THEY WILL WONDER WHY SENTENCES TO JAIL WILL RESULT.

(By Associated Press.) LONDON, May 3.—Documents seized by the police in a raid upon the suffragette headquarters show a plot to burn at the same time all the big lumber yards and several government office buildings. Many arrests on a conspiracy charge are expected.
